---

Gary – Thanks for the opportunity to provide input on the subject fact sheet. As you know, we are very concerned about the misinformation that is circulating in the community about the Site. We believe the misinformation is inhibiting the effective administration of the Site, and the Fact Sheet is a good step to recalibrate everyone to the conditions at the Site.

You indicated that you plan to discuss the Fact Sheet at tomorrow's CAC meeting. We would appreciate the opportunity to review the Fact Sheet after the CAC meeting. We may also be able to provide some graphics to include in the Fact Sheet for your consideration.

Finally, since the community stakeholders in and around Houston are multilingual, we recommend that the Fact Sheet be translated in the languages on the signage at the Site, including Vietnamese and Spanish.

Thanks again for the opportunity to provide input to the Fact Sheet.
